

# 2021

## The Hilton Head Island Deep Well Project:

# COMMUNITY IMPACT REPORT

Mrs. Burnett on her new steps with Deep Well Livable Housing volunteers

Thanks to incredible support from our community, Deep Well helped an astonishing number of our neighbors during 2021. With nearly every part of our economy affected by the pandemic—housing, jobs, schools, tourism, retail, etc.—many folks needed a helping hand. And Deep Well was there—to feed, shelter and aid hundreds of families and thousands of individuals.

Those of us on the front line are overwhelmed with gratitude by the generosity that came from virtually every corner of our community. We asked. And you delivered. With your support, we will continue to extend a hand up to those in need.

**Food** **\$327,888** value of food provided

**57,582** # of meals from our Wellness Pantry

### Where does Deep Well supply food?

Our Wellness Pantry, The Children's Center, Hardeeville and Ridgeland Elementary schools, and other area food pantry partners

Deep Well pantry
