

# 2022

## The Hilton Head Island Deep Well Project:

# COMMUNITY IMPACT REPORT

Volunteers power our programs, and they come in all ages.

Incredible support from our community enabled Deep Well to again help thousands of people through our array of critical services and programs—food, shelter, transportation, children’s services...the list is long. Thanks to our volunteers and donors, we were a strong, far-reaching safety net for neighbors in need.

We also launched Circles Hilton Head Island, a two-pronged effort to support families trying to move themselves out of poverty and into economic stability, while at the same time working to identify and tackle challenges that keep people

in crisis. It’s very fitting that as Deep Well reaches our 50th Anniversary in 2023, we continue to diversify and develop new ways to build a healthier community for all our neighbors.

**We are grateful for your support. Together we are making positive changes and creating opportunities for people to move from crisis, to stabilization, to success.**

### Food

**\$443,680** value of food provided

**96,411** # of meals from our Wellness Pantry

### Where does Deep Well supply food?

Our Wellness Pantry, The Children’s Center, Volunteers in Medicine, Meals on Wheels, senior centers in Jasper County, and other area food pantry partners

Deep Well Pantry food outreach into the community.

Before our repairs

After our help
