

Resource Team Involvement Form

Name	_____	Phone	_____
Email	_____	Cell Phone	_____

There are five Resource Teams: Community, Recruitment, Jobs and Education, Services, and Big View Teams.

- I would like to apply for a position on a Resource Team. I like making things happen and I have strong organizational and/or visioning skills.

Here are other opportunities to ensure Circles success:

Please check all the boxes that interest you the most!

Community Team

- I want to make sure there is plenty of food for the weekly meetings
- I want to make sure Circles Weekly Meetings are welcoming and supportive in nature
- I want to help make sure that the meeting space is conducive to the needs of Circle and kept clean
- I want to help facilitate and/ or organize weekly meeting content
- I want to make sure the children have quality childcare and child development activities
- I want to be trained to train Circle Leaders and/or Allies
- I have other ideas, like:

Recruitment Team

- I want to be a Circle Leader or Ally
- I can recruit and help enroll other Circle Leaders and/or Allies
- I want to promote Circles in the community
- I want to help build the Circles brand by supporting marketing and communications efforts to increase program visibility and awareness
- I have other ideas, such as:

Jobs and Education Team

- I want to develop relationships with local workforce development and job training programs
- I want to help people submit applications, write resumes, and prepare for new jobs
- I want to help people access and apply for higher education and make a plan to succeed
- I want to help people have back-up plans for transportation, childcare, and health problems that might keep them from going to work or school
- I have other ideas, like:

Services Team

- I want to identify and orient references at community service organizations that provide: housing, transportation, childcare, healthcare, financial assistance, utility assistance, mental health and recovery resources. Assist Circles to access these services through establishing key relationships.
- I want to assist Circles families in accessing community services as needed
- I want to help develop and maintain a giving and receiving system for Circles community members
- I have other ideas, like:

Big View Team

- I want to help cultivate community relationships necessary to make progress on community wide systemic barriers
- I want to help prepare and lead the Big View meetings each month so that we make progress
- I want to do research on the barriers keeping people in poverty and help find best practices, precedents, and models of how others may have solved these barriers
- I want to help work with the media to share Circles stories
- I want to help collect data that can be sent to Circles USA
- I have other ideas, like:

THANKS!!! Let's end poverty in our lifetime!!
